

## REMARKS

A new claim listing including withdrawn claims 11-14 and 22-26 and including the correct identifier for new claim 28 is enclosed. Applicant's attorney apologizes for the error in the original claim listing. Since the substance of the claim amendments remains the same, applicant's attorney interprets this notice as requiring that only a claim listing need be presented.

Respectfully Submitted:

William Raymond Price et al.

A handwritten signature in black ink, appearing to read "Robert W. Pitts". The signature is fluid and cursive, with the first and last names being more prominent.
